

## **General Assistant, Fr. Lisbert SJ, Visits READ**

Fr. Lisbert D'Souza, SJ, the General Assistant and Regional Assistant of South Asia, visited READ on February 05, 2016. All of us were happy to have him amidst us. The children put up a short cultural program to welcome him. He marveled at their performance and some of their English. He interacted with the children asking questions and replying for their questions. His words of wisdom encouraged the children to walk their miles of life.
